Trans Tasman Gubbi Gubbi Waka Ama

Mayoral welcome message – 2017 Trans Tasman Gubbi Gubbi Waka Ama

May I extend a warm welcome to the many competitors, with families and friends who are to visit our wonderful part of the world.

You are of course arriving here on the Sunshine Coast to compete in or attend the great Australian Outrigger Canoe Racing Association – National Junior Outrigger Titles 2017, and the Trans-Tasman Gubbi Gubbi Waka Ama Championships.

We are looking forward to seeing you and hope you have a truly enjoyable time, whether competing or not.

Please make sure you give yourself an opportunity to explore the Sunshine Coast and discover its many qualities, including miles of pristine beachfront, magical times in the hinterland and Glass House Mountains, along with shopping and culinary experiences second to none.

Meanwhile, I think you will find the facilities here at Lake Kawana are well-suited to offer exciting competition and underline the Coast's suitability as a first-class sporting event destination.

So – let me wish all contestants the best of luck – and all of you, make sure you have an experience to remember!

With very best wishes

1.0 History of Trans Tasman Gubbi Gubbi Waka Ama

The Trans Tasman Gubbi Gubbi Waka Ama Outrigging competition has come a long way from the early days when it was known as the Gubbi Gubbi East Coast Junior Outrigging Championships. The very first competition came about after coaches Allan Rasmussen, Fred Gapes and Warren McNeich formed a team made up of Mooloolaba and Panamuna club members and competed in the 2004 World Sprints in Hawaii.

As these juniors had been winning everything in Australia high hopes were held for the World Sprints but we soon learnt that winning in Australia meant very little on the world stage. We came home with only one individual medal. So from that valuable lesson it was decided Australian kids needed more racing. The Sunshine Coast Junior Paddling Development was formed and the decision was made to put on a one off National junior only regatta in 2005 to be held at Lake Kawana.

Whilst we were overseas we noted how other countries incorporated their culture into Outrigging and thought how great for the kids to do the same in Australia. So we approached the local Gubbi Gubbi people to see if it was possible to incorporate their name and culture into the competition. They were happy for their name to be used and performed at our presentation. Our numbers in that first year were far beyond what we were expecting with around 70 kids coming along. For some of these paddlers it was their first race. Clubs were joined to make teams and friendships were formed. It was so much fun that everyone started to talk about next year and so it kept growing. In 2006 we had a change of venue to Double Bay on Kawana Island but it was not received well by some of the locals so the following year it returned to the Lake. In the beginning we offered both Marathons and sprints over 2 days but as the numbers grew the event program had to be modified as time did not allow for the full range of events.

Compiled by Alan and Jenny Rasmussen.

TTGGWA would like to thank the following sponsors for their continued support and commitment:

Today we offer a new range of events and have extended it out to 3 days to incorporate all the races.

As the years went on and our Juniors were taken to other countries, contacts were made and we started hosting teams from New Zealand and Cook Islands. The word quickly spread and soon we were hosting a number of teams from New Zealand, so in 2011 the name was changed to Trans Tasman Gubbi Gubbi Waka Ama. At that stage it was still hosted by the Sunshine Coast Junior Paddling Development with the help of some parents and paddlers of local clubs. But with the numbers swelling towards 400 the decision was made to hand over the competition to AOCRA and AOCRA Junior Development Committee to run and started recruiting helpers from all clubs that had Juniors.

All registering clubs will then be sent a spread sheet where every competitor needs to be listed giving the details of what age races they wish to participate in.

For OC1 and V1 events please choose ONE age division to compete in (paddlers cannot compete in two divisions). V6 competitors may only compete in two age divisions if required to steer or fill a seat in an older crew.

Race Rules

Mixed crews must have a combination of 3 girls and 3 boys.

For OC1 and V1 events competitors need to choose ONE age division to compete in (paddlers cannot compete in two divisions).

Competitors racing in V6/V12 events can only compete in a maximum of 5 events. A maximum of two competitors from a lower age division will be allowed to paddle up to complete a crew in the next highest age division (provided individual paddlers do not exceed the 5 event limit).

PLEASE NOTE: Races will not be held up for competitors who are racing back-to-back events or who miss the call to marshalling. Coaches and Team Managers are responsible for ensuring their paddlers are not racing back-to-back and are at marshalling on time.

Rules for Minnows

- Minnows cannot race up into any other divisions.
- Minnows cannot participate in turns races. Therefore, when turns are on Minnows will do 2 x 250m straight races. These times will be combined and then divided by two to determine the place getters.
- Minnows are not permitted to steer themselves. They must have an experienced steerer with a minimum age of 14 years.

Timeline

- Nominations close 9th September 2017
- Program sent out 16th September 2017
- No changes permitted after the 23rd September 2017

One race fee of \$80 per paddler (\$40 per Minnow paddler) covers racing fees for the event including a gift pack.

SUNSHINE COAST
REGIONAL
ART
GALLERY

As one of the most vibrant cultural hubs in Queensland, the Sunshine Coast has incredible painters, sculptors, craftspeople, playwrights, filmmakers, musicians and performers.

Art Galleries

Drawn to the visual beauty of the region, the Sunshine Coast is home to many internationally acclaimed artists whose inspiring work is showcased at galleries across the region.

The two most prominent of these are Noosa Regional Art Gallery and Caloundra Regional Art Gallery. There are also dozens of independent art spaces that feature stunning contemporary and fine art works.

University of the Sunshine Coast

The University of the Sunshine Coast (USC) in Sippy Downs has its own vibrant art gallery open free to the public, as well as artworks and sculptures featured around the campus. USC also offers regular free talks by leading experts about research and progresses in their fields, while the world class

indoor sports stadium is available for University, school and community sporting events. The award-winning campus is also a wildlife reserve, home to a longstanding mob of Eastern Grey Kangaroos.

Theatres

Cinemas and theatres on the Sunshine Coast encompass both the modern and historic. For music concerts and touring productions, there is the Events Centre Caloundra, Lake Kawana Community Centre or the Sunshine Coast Function Centre in Maroochydore.

Museums

To unearth the rich history of the area, visitors can take a trip to the Queensland Air Museum in Caloundra or the Eumundi Heritage Centre. At the Pioneer Cottage in Buderim, the Landsborough Museum and Gympie Gold Mining and Historical Museum, there's the chance to turn the pages of old books and discover the stories of the early Sunshine Coast pioneers.

With over 100 kilometres of coastline, the Sunshine Coast has many patrolled beaches, calm bays and crowd-free strips of sand where you can simply relax... or find water activities galore.

Patrolled Beaches

The Sunshine Coast's pristine beaches stretch over 100 kilometres with plenty of choices in flagged and patrolled areas for safe swimming.

Fun on the water

Learn how to surf with Coolum Surfing School. If you prefer a motorised experience, hire a jet ski from Absolute Adventure in Mooloolaba or take a tour with Caloundra Jet Ski.

Cruising the waterways

Hire your own craft or multiple operators can help you explore the Noosa Everglades, Great Sandy Straits, Fraser Island, Noosa, Maroochy and Mooloolah rivers or Pumicestone Passage.

Whales

From June to November, experience the majestic migration of some 8000 humpback whales. Take a tour with Whale One to see the graceful giants up close or spot them from Mount Coolum, Point Cartwright or Moffat Headland.

Fishing

Don't be talking about the one that got away! You can hire your own boat with Swan Boat Hire and throw in a line, or head out on a fishing charter with Fish 'N' Crab Deep Sea Charters in Mooloolaba.

Diving

Dive the site of one of Australia's most distinguished warships, the ex-HMAS Brisbane. An impressive artificial reef lies at a depth of 27 metres. PADI certified divers can book direct with ScubaWorld and Sunreef Scuba Diving Services. Alternatively join the grey nurse sharks off Double Island Point with the Wolf Rock Dive Centre.

Water Sports

The Sunshine Coast's beaches and waterways provide a perfect playground to venture out on a kayak or canoe, try kite-surfing or even hit the water at great speed and with plenty of adrenalin on a jet boat.

NATURE

The Sunshine Coast boasts a pristine natural environment with clean and green beaches, forests and countryside.

Sunshine Coast Hinterland Great Walk

Set in the Conondale National Park, the Sunshine Coast Hinterland Great Walk is a challenging 58 kilometre, four day, full circuit track through some of Queensland's most scenic wilderness. Day visitors can access sections of the great walk track for shorter hikes.

Glass House Mountains

Steeped in Aboriginal legend, the iconic Glass House Mountains are a series of craggy volcanic plugs rising dramatically. There are a number of panoramic lookouts including Mary Cairncross Scenic Reserve and Maleny Botanic Gardens where you can sit and soak up the mystical beauty.

Pumicestone Passage Marine Park

A pristine 35km channel stretching south from Caloundra, the Pumicestone Passage is a diverse eco-system boasting seagrass meadows and populations of turtles, dolphins, dugongs and a variety of migratory shorebirds. As part of a protected marine park, it can be accessed by jetski, small boat or kayak.

Beach Highway

Four-wheel drive along the beach of the Great Sandy National Park located between Noosa Heads and Rainbow Beach. Ensure you have a vehicle access permit or alternatively guided tours can be booked.

2.5 Transportation

The Sunshine Coast can be accessed via the Sunshine Coast Airport which is centrally located just 15 minutes from Lake Kawana with daily services from Sydney and Melbourne. Jetstar, Virgin Australia and Tiger Airways service the routes, linking the Sunshine Coast with flights to over 60 Australian destinations, allowing the region to be included as part of any Australian itinerary.

Sunshine Coast Airport now welcomes international flights, with Air Zealand scheduling twice weekly seasonal services from June to October. This allows for New Zealand visitors to fly directly from Auckland to the Sunshine Coast and provides connections from North America via Auckland into the region. Regular mini bus transfers, taxi and private car transfers are available door-to-door from the airport.

For those visitors accessing the Sunshine Coast through Brisbane's International or Domestic Airports, the destination is located approximately one hour's drive north of Brisbane on a well-signed national highway. Brisbane has a large international and domestic airport, with all major car rental companies represented at both terminals. Regular mini bus transfers and private car transfers are available door-to-door from both airports. Queensland Rail train services operate from Brisbane's Central Station to the Sunshine Coast with connecting bus services to coastal areas.

Medical Services

The Sunshine Coast University Hospital is due for completion by April 2017. This facility is on the lake's edge and is 2 minutes by road from the event site. Public hospitals are located at Caloundra and Nambour. Private hospitals are located at Caloundra, Buderim, Noosa and Nambour, while 24 hour medical centres are located throughout the region. Many hotels and resorts have doctors on call. In Australia dial 000 for emergency services.

Time Zone

Australian Eastern Standard Time is GMT + 10 hours. Daylight saving is not observed in Queensland.

Population

The population of the Sunshine Coast is approximately 350,000.

Surf Safety

Sunshine Coast beaches are beautiful, however, it's important to be alert to dangers of the surf and beach environment. Always advise clients to swim between the red and yellow flags at one of the many patrolled beaches.

Voltage

50 cys AC240V. All 110V appliances require transformers. Most hotels and resorts provide ACI 110 sockets.

Disabled Services

Many public areas, shopping centres, hotels, apartments, attractions and restaurants provide disabled services and facilities.

Currency

The currency is the Australian Dollar. Money changing facilities are available throughout the Sunshine Coast, and hotels and restaurants accept most major international credit cards.

Tipping and Gratuities

Tipping is not widely expected in Australia. Gratuities are welcome after a particularly enjoyable meal, or for exemplary service.

Taxes in Australia

A Goods and Services Tax (GST) of 10% is included in the price of all goods and services sold in Australia, with the exception of some basic items. It is automatically charged, so there's no need to add this to the bill. When leaving Australia within 30 days of buying goods, you may be exempt from paying GST. You can take advantage of the Tourist Refund Scheme (TRS) to claim back the GST you have paid. TRS only applies to goods that you can carry as hand luggage, and other conditions do apply. 2.8 Sunshine Coast Weather

The Sunshine Coast enjoys plenty of sunshine with an average of seven hours each day. The region has a subtropical climate and is ideal for outdoor activities virtually year-round. The temperate climate ensures that swimming is also available year-round without the need for stinger suits which are often required in the tropics.

The Australian sun is very harsh and whilst we want visitors to enjoy our climate we recommend the use of sun block, hats and adequate clothing to guard against sun damage.

SEASON AVERAGES	LOW	HIGH
Summer (December - February)	20°C	28°C
Autumn (March - May)	16°C	25°C
Winter (June - August)	10°C	21°C
