PLEASE NOTE

AGE DIVISION FOR THE 37km CHANGEOVER EVENT WILL BE BASED ON AVERAGE AGE OF THE CREW

To make it easier for clubs to form crews, the average age of the crew will be calculated by summing the ages of each crew member (in years, months, and days) and dividing by the number in the crew. This average age will determine the age division of the crew as per AOCRA divisions. A crew list with DOBs will need to be submitted before the race so that divisions can be calculated. This race is classified as a Combined Event no points are awarded-just medals.

ESCORT BOATS FOR HIRE FOR THE CHANGEOVER

We are trying to source Escort Boats for hire and should be able to publish a list by late April. It is recommended that crews source their own boats if they can.

COMBINED CLUBS FOR THE 37 km CHANGEOVER EVENT

To make it easier for smaller clubs to form crews, we will accept nominations for combined crews from different clubs.

37 km CHANGEOVER TEAMS

OC6 Men (all divisions): maximum crew of 9 paddlers

OC6 Mixed and women maximum crew of 10 – at least 3 female paddlers must be in the mixed boat at any time while racing. Golden mixed require only 1 female paddler to be in the boat at any time.

V3 maximum crew of 6. Mixed must have at least 1 woman in the boat at any time. Golden mixed require one woman in the crew.

OC2 maximum crew of 4. Mixed must have at least 1 woman in the boat at any time. Golden mixed require one woman in the crew.

V1/OC1 maximum crew of 2. Mixed will require one woman in the crew.

NOVICE SENIOR PADDLER

Some events will include Novice Senior Paddlers. For this regatta, this division is defined as those senior (that is, adult - not junior) paddlers who have been members of AOCRA for less than 2 years. **OC6 teams should have at least 5 novice senior paddlers.** A veteran steerer is allowed.

MIXED OC6 - SENIOR MASTER, MASTER and OPEN

This division requires at least 3 female paddlers in the boat.

MIXED OC6 - GOLDEN MASTER

This division requires at least 1 female paddlers in the boat.

COMBINED CLUB TEAMS

Are eligible for medals, but not points.

V3

Because of the small number of V3s in the zone, all V3 races are unofficial. Mixed crews should have at least one female paddler.
