**RE: Highway to Hilo IVF World Sprints 2024**

Hi members, a quick update and request for World Sprints to individuals and club teams for Hilo 2024. Firstly, thanks to all those who have already responded and confirmed their attendance it has been an absolute fantastic response to what is expected to be a cracking campaign and event with a large volume of available quota already filled and confirmed.

There are still some opportunities remaining which we would now like to offer our AOCRA members via an EOI. The following list below includes current quotas we have still available to be filled for the event both in terms of individuals for Elite V1 events and for club teams at Hilo.

If individuals in the Elite V1 divisions below or clubs for the V6 divisions have any interest in putting their name or a team forward please email both Andrew Buckley, AOCRA Director of High performance Email: [Director.HP@aacra.com.au](mailto:Director.HP@aacra.com.au) and Trish Johnston, AOCRA Events Manager Email: [manager.events@aacra.com.au](mailto:manager.events@aacra.com.au) by 25 January thanks.

In your email please nominate the event and division you are interested in please be aware this will be on a first in basis so don't delay.

**V1 Elite Quota available**

Master 75 Men	2 Lanes
Master 75 Women	3 Lanes
Master 70 Women	3 Lanes

**V6 Club Quota available**

Master 75 Men	5 Lanes (STR & TRN)
