<p>Story idea:  Introducing the beautiful and diverse locations in Queensland where we paddle. Showcasing what sponsorship can contribute to, names on canoes (OC6s and OC1s), sport uniforms, marquees, flags, prizes, BBQ supplies, paddles, lifejackets etc. Also features how regattas draw people, shots of the competitive nature of the sport between teams, clubs and the elements. Images of not only local sporting events but Qld paddlers representing on the World Stage including shots of Mooloolaba Snr Master Men at Molokai and Open Women crew in Tahiti. Our sport celebrates camaraderie, sportsmanship and friendship both amongst adults and children all set in the beautiful backdrop of our ocean, beaches and marine life till the fading of the light. We are one with nature, celebrating and respecting life.</p>
