

16TH/17TH NOVEMBER 2019

AUSTRALIAN OUTRIGGER CANOE RACING ASSOCIATION

Welcome from Rhys Williams – City of Mandurah Mayor

What better way to show off some of Mandurah's best coastline than by hosting some of Australia's best paddler's.

I'm excited to see our beaches come alive with competitors, organisers, supporters and volunteers for the 2019 Australian Outrigger Canoe Racing Association OC1, V1 & OC2 Championships.

A lot of hard work goes into bringing events like this to Mandurah, so thank you to everyone involved for making it happen.

Good luck to all competitors – enjoy your time here..... and may the best paddler win.

Kindest regards Rhys Williams **Mayor, City of Mandurah**

AOCRA Presidents Welcome to the 2019 National Titles

Welcome competitors and supporters to the 2019 OC1, V1 & OC2 National Titles.

This year sees the event being hosted by the WA Zone of AOCRA in Mandurah, Western Australia's largest regional city, situated about an hours drive south of Perth and boasting some of the most pristine beaches on the south-west coast.

WAZA have put together and excellent program that offers competitors some great competitive paddling, including a downwinder for the long course. This is a fantastic opportunity to sample ocean racing West Australian style, so we look forward to seeing competitors from all over the country to take advantage of what promises to be a great national titles event.

So, get yourself across to Mandurah, paddle hard, have fun, laugh and smile when the job is done.

Kindest regards Grant Withrington **President, AOCRA**
